CS352: Phase 1 – Group CS_2, Social Network

Daily scrum meeting template

Done requirements

Nothing (midterm exams)

What will be done today

Ziad: gather the old scrum meetings or do nothing

Heba: finishing class diagram

Sarah: I will start working in the project (JSPs and controllers) after fixing my endless errors and problems in the project

Current obstacles

Heba: how to use command design pattern in the project since there is controller and services (how to connect them together)

Sarah: Endless errors (due to switching to another laptop and configuring the project from scratch)
